### The Unfortunately Necessary Fine Print:

Tarot reading is subject to interpretation and should not be taken as absolute. A tarot reading is never 100% accurate, and no guarantees can be made for any amount of accuracy. All readings are provided for entertainment purposes only.

That being said, I provide services that I believe can be a wonderful tool for connecting us to our higher selves, for spiritual guidance, and tapping into our unconscious for the answers and advice that we seek.

This is not, however, a replacement for medical, mental, financial, or legal services. Additionally, readings may seem therapeutic at times, but are not a replacement for therapy or counseling from a licensed professional.

Ultimately, my only responsibility to you as a reader is to interpret what is in front of me. You are responsible for any and all actions you take as a result of the outcome this service. Nothing in a reading is legally binding. You retain your free will and are not forced to follow a particular course of action that you do not choose to follow. Any decisions made or actions taken by you as a result of your reading are your sole responsibility. Please use your common sense and judgment at all times. I assume no legal liability for any damages, losses, or consequences of any decisions subsequent to, or based on, any services I provide.

Once the reading is performed, I have fulfilled my responsibility for that service. Your future is yours to create.

Signing below not only indicates informed consent for this reading, but all future appointments as well. Should you choose to reject your consent in the future, this document will be destroyed and will not apply to any additional appointments or services.

It is only with the complete understanding and acceptance of the above that your service will take place. By signing below you acknowledge, accept, and confirm the above.
